MEMORANDUM FOR: CIA Review Group

TO WHOM: Special Assistant to the DDCI

SUBJECT: Review of ECD Relationships With Pan American
World Airways, Its Subsidiaries and Individuals

1. Attached is a report to me certifying that the ECD records
on Pan American World Airways (PAA) have been searched. My review
of the possible Category III items is as follows:

AL 3 ad2
Item 4.a. - The individuals mentioned are probably
Mr. and Mrs. George de Marenchoult of Dallas who, I
believe, are the only persons who were acquainted with
both Lee Harvey Oswald and President Kennedy; not
Category III and of no consequence in my judgment.

HIG 8/8
Items 4.d. and e. - See nothing improper in
these; the documents purport to draft the
cooperation of a PAA employee with the Air Force
after coordination with ECD. There would be no
impropriety in Air Force passing it otherwise
regarding a PAA employee for his assistance, a
common Air Force practice.

Item 4.f. - Based on Mr. Affinito and Miss Schrot's
comment, I directed that another search should be made
because the memorandum suggests that ECD might be
able to use its influence with American firms, including
PAA, to make Nobuto's try to the US a success. There
is no indication anywhere in our case correspondence,
however, that Identity 27, an Africa Division officer,
visited ECD's New York Field Office on this matter or that
the subject was ever discussed further than in this single
piece of correspondence.

Item 4.h. - The comment is slightly incorrect in
that NYFO adds comments that CIA material on the
Soviet SST be given to (PAA) DCD New York Field Office

2. After Miss Schrod and Mr. Affinito completed their survey
and signed their certification (attached), Miss Schrod located
two additional items, WIRE 4534 and PA 69654 (attached), which
indicate that a request was made by a (PA) official and responded
to by Chief, ICD in regard to the contemplated Southeast Asia
operations by Continental Airlines, a possible (U.S.) competitor.

3. You will note an inconsistency in the handling of our
material on LIA. Mr. Affinito and Miss Schrod have omitted the
information they selected and have used true names in their comments
to me. In the interest of speed, I have not corrected this
inconsistency.
